As the weather is getting warmer, please make sure your child brings their water bottle to school every day and has a sun hat to wear in the playground. Also you could apply sun cream in the morning before they come to school to help protect against the sun's rays.

Nursery and Reception parents - please wait at the classroom door for your child to be called and handed over to you. This is for the children's safety. Please do not push in front of other parents.

Thank you to all the parents who spoke to the Ofsted Inspector.
He was very impressed with the children's reading and behaviour.
We will hopefully have the report before the end of the term to
share with you.

For your children's safety, please wait while all the children line up with
their class at the end of the day before telling the adults you are taking
your child home. Thank you.
