*Identifying local landmarks and mapping...*

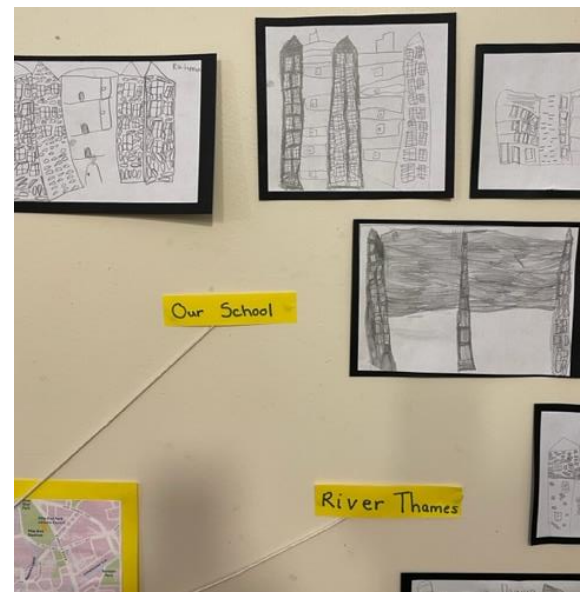

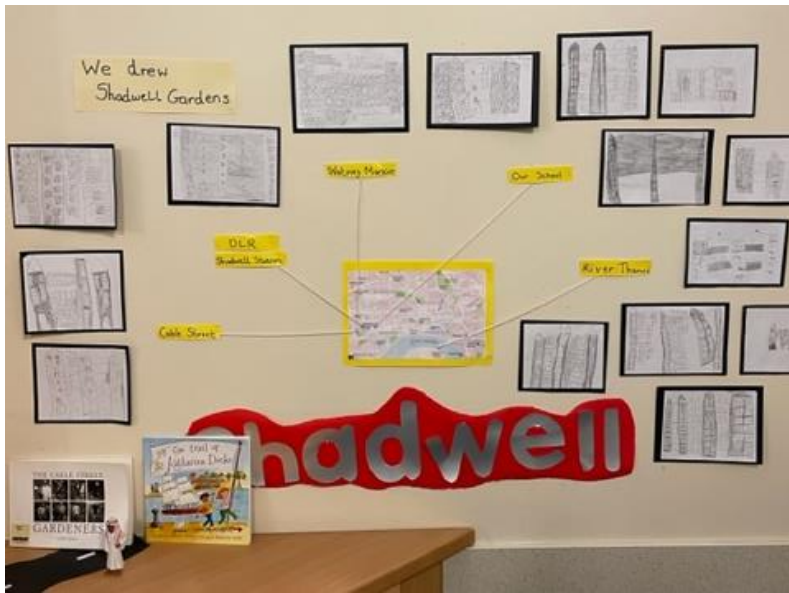

*Modelling making too, of the local area...*

*Year 2 did lots of work on the weather & seasons...*

Year 1 ~ local area – Shadwell continued...

Local landmark drawings...

More model work...

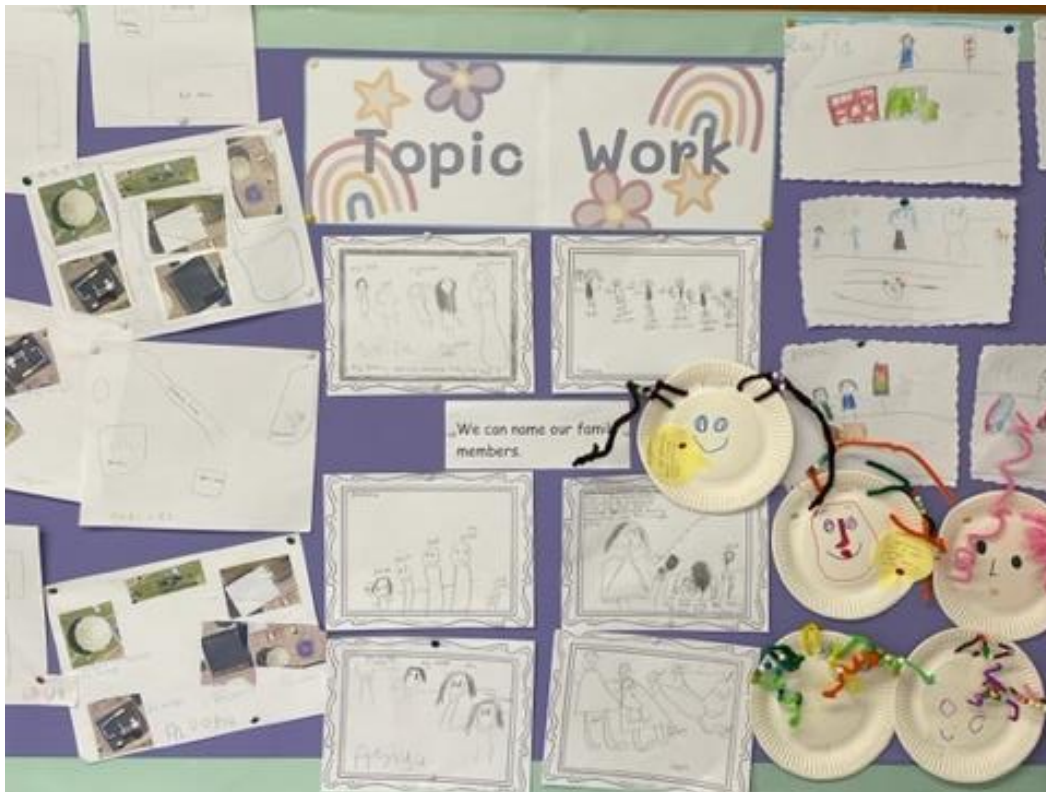

Year 1 learning journey

Using the language of 'near and 'far'.

EYFS have been looking at the topic of 'Ourselves'.

Mapping work of the classroom

Do you know where objects are in the classroom and outside?

Who is in your family?

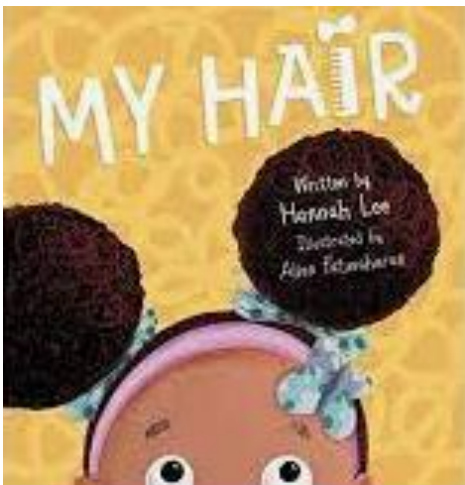

It was fun learning about ourselves and families...

## Black History Month in the EYFS

Looking at the book 'My Hair' by Hannah Lee and designing our own hair styles was so much fun....

Hannah Lee was born in London, where she lives. She always loved books, but yearned to see more stories that featured children like her – so now she is writing them! 'My Hair' was her debut picture book, which was Highly Commended in the 2017 FAB prize for writing.
