

Outdoor Maths - 16th Sept 2019 - Year 1

LI: We are learning to recognise and order numbers up to 10 and beyond.

SC; I can use playground games to support my understanding.

Recognising numbers up to 10.

Recognising numbers up to 20.

Recognising numbers up to 40.

Outdoor Maths - 23rd Sept 2019 - Year 1

LI: We are learning to estimate and compare.

SC; We can use playground equipment to follow a line of enquiry.

Could the whole class fit on the train? How many children?

Could the whole class fit in the bus? What did you notice that was different?

Children have experienced working on outdoor on maths concepts this first autumn term.
