Please bring your children to school every day.

The best class in Early Years was Pluto R with 98.3%
What a fantastic achievement!! Well done.

Please bring your child to school every day. Following our recent Ofsted inspection, we are continuing to work on our children's attendance. With our new "Traffic light" system, all the children have been given a letter stating their attendance for the Autumn term. We are hoping that all the children will be in the **Green Zone** but if your child is in the **RED ZONE**, parents might be asked to attend a meeting to discuss their child's attendance. If you are in the yellow zone then your child's attendance could be better and needs to improve.

If your child is in the **GREEN ZONE** - congratulations and well done!!

For your children's safety, please wait while all the children line up with their class at the end of the day before telling the adults you are taking your child home. Thank you.
