Tuesday

- Jupiter parent conferences

Wednesday

- The Dentist will be coming in today to apply the second fluoride coating.

Thursday

- Nazia will be holding her coffee morning on Digital Parenting.

Friday

- Sun Class to visit Greenwich dressed as pirates

Coronavirus Information

The incubation period of the virus is *between* 2 and 14 days. This means that if a person remains well 14 days after contact with someone with confirmed Coronavirus, it is unlikely that they have been infected. The virus is spread through close contact with an infected person. Droplets produced when an infected person coughs or sneezes containing the virus are most likely to be the most important means of transmission.

The following symptoms may develop in the 14 days after exposure to someone who has the virus:

- Cough
- difficulty in breathing
- fever (a temperature of 38 degrees C or higher)

If you have any of these symptoms, you should:

- if it is an emergency, call 999 and tell them which country you have returned from in the last 14 days
- if you are unwell, but it is not an emergency, call NHS 111 and tell them which country. The NHS also has a website - <https://111.nhs.uk>

If you feel unwell:

- avoid contact with others
- stay at home, do not attend work or school
- do not travel while sick
- cover your mouth and nose with a tissue or your sleeve (not your hands) when coughing or sneezing. Throw tissues in the bin
- avoid touching your eyes, nose, and mouth with unwashed hands

Remember to wash hands often with soap and water for at least 20 seconds.

Use an alcohol-based hand sanitiser if soap and water are not available. This is particularly important after taking public transport.

The school is following the advice given by PUBLIC HEALTH ENGLAND and the DFE

ATTENDANCE

The **WHOLE** school's attendance this week was 91.7%.
Please bring your children to school every day.

The best class in KS1 was Jupiter Class with 98.2%.
What a fantastic achievement!! Well done.

The best class in Early Years was Saturn R with 96.7%
What a fantastic achievement!! Well done.

Please bring your child to school every day. Following our last Ofsted inspection, we are continuing to work on our children's attendance. With our new "Traffic light" system, all the children have been given a letter stating their attendance for the Autumn term. We are hoping that all the children will be in the **Green Zone** but if your child is in the **RED ZONE**, parents might be asked to attend a meeting to discuss their child's attendance. If you are in the **yellow zone** then your child's attendance could be better and needs to improve.

If your child is in the **GREEN ZONE** - congratulations and well done!!

Please note: We are listening to all advice given to schools and concerns from parents. From this week there will be no assemblies taking place in school. No more trips will be booked for all year groups.

If you are concerned about your child using public transport for the year 2 trips to Greenwich - please talk to the class staff. Your child can stay in another year 2 class on the trip day.

At the moment we have had no guidance about when schools might be asked to close.

For your children's safety, please wait while all the children line up with their class at the end of the day before telling the adults you are taking your child home. Thank you.
