Safreen -
Mud

I will start from the grass. The river, the family took off their shoes epwhen they go in the river. To a bear hunt. They run back to their house and run back down to lock their door. The bear was sad because he wanted to play with them. The snowstorm comes after the forest. You have to walk through it. They slided with long grass.

Sala

Grass, pink grass, then these humans, then mud, snowstorm then the flower, the forest. The river, you get to go through it. The snowstorm after forest. A bear in a cave. You go forest. Snowstorm and flower and go to the mud.

Mithrab

I swim under the river. The mud with the hoors. Trees. Go forward to the trees. Snow is cold and then you got to go through it. The bear had goggles eyes and tiny red ears. So you got to go through it.
