

PSED

LI: I can find ways to manage my feelings.

This week the children will learning ways to manage their feelings.

Questions: What could you do if you are feeling really angry and want to calm down?

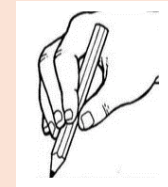

Maths:

This week the children will explore the next stage in the shape, space and measure progression. They will move on from inset puzzles to completing simple jigsaws with between 4 and 6 pieces. Children will also match shape resources, such as pattern blocks, to templates. Activities in this block encourage the use of coloured templates, where the colour corresponds to the shape, to provide support for children.

PD

LI: To hold my pencil using a tripod grip.

This week the children will Continue to practise using a tripod grip when writing.
