

PSED

LI: I can find ways to manage my feelings.

Talking to each other and familiar and unfamiliar adults about their likes and dislikes. Introduce new vocabulary related to work.

Talk about what they like/don't like at the School and begin to express why. Draw pictures/paint pictures of different animals from Noah's Ark Story.

Talking about being mindful of animals and living things. Looking after insects in the environment.

Maths

This week the children will consolidate their perceptual subitising skills up to 3. Children will gain more confidence and subitise for a purpose through activities and when playing games.

PD

LI: To hold my pencil using a tripod grip.

This week the children will continue to practise using a tripod grip when writing

The children will also be building their own boats using their fine motor skills.

Nursery Weekly Plan

WB: 11/05/25

Topic: Circle of Life

Books: *Noah's Ark*

UW

LI: Talk about what they see, using a wide vocabulary.

Looking at the animals in Noah's Ark, talk about their similarities and differences. Set up small world Ark. Talk about animals, their smells. Eating habits etc., naming different animals.

Topic: The children will be creating boats using different materials to investigate floating and sinking.

CLL

LI: To be able to retell a story.

Read the story of Noah's Ark. Encourage the children to talk about where the animals are positioned on the Ark. To continue to observe the caterpillars and ask children if they can see any changes.

Phonics Phase 1 Aspect 5: Alliteration

EAD

LI: To enjoy playing with small world resources.

Linking to our story of the week, children will have small world Ark and will be encouraged to talk about the different animals.

The children will also be creating their own boats using different media and materials.

This week in music we will be listening to pick up the pieces and learning The Hokey Cokey song.
