

LI: I can decompose and compose shapes.

Key Vocab: shape names, positional language

Monday, Tuesday and Wednesday: <https://vimeo.com/546470364>

What designs can you create with the tangram shapes?

First, you will need to cut out your tangram shapes from an A4 piece of paper.

Fold the paper to create a square and cut off the excess paper.
Now cut out your shapes from this square.

Thursday and Friday: <https://vimeo.com/546472016>

Use the pattern blocks and the star template to explore the different ways to build a star.

What do you notice?
Is there another way to build the star?
What other designs can you make?
