

Nursery Topic Planning Summer 2

				Week 7	Transition.
				Week 6	Children to create 3D bears using a variety of resources of their choosing.
				Walking through the jungle DT	
			Week 5	Exploring natural objects. Comparing urban environment to a jungle.	
			Walking through the jungle Science		
			Week 4	Children to create magic carpets using weaving or knotting thread to create their carpets fringe.	
			DT		
		Week 3	Children to paint/draw/sculpt items granny collects on her travels.		
		Granny went to Market Art			
	Week 2	To learn about different people and places in the world through texts and explore using role-play, costumes and props.			
	We're going on a bear hunt.	Cover a table or floor with paper and provide children with pens to draw a map of the story. Invite them to create an area of map for each story setting, including the bear in the cave. Encourage the children to map the trail that leads between each setting.			
	Geography	Children to talk about the environments present within the story and those they have drawn.			
		Children to use directional language to explain the route to follow.			
		Children to talk about why we would need a map.			
Week 1	Why do we wear different clothes during the year? (See history association)				
We're going on a bear hunt	Compare and contrast the different seasons and discuss appropriate clothing for each – sun safe.
