Reception Numeracy Home Learning Autumn 2 Week 3

LI: I can represent 4 and 5.

Key Vocab: four, five, represent, sort, groups of, set, how many?

Monday and Tuesday: https://vimeo.com/471454642
https://vimeo.com/471458420

Make a collection of objects to represent the number five.

How many different ways can you find?

As well as collecting objects, you could also represent the number five by drawing a picture.

Wednesday and Thursday: https://vimeo.com/471476543

Collect some objects to show 4 and 5.

Can you sort your objects into groups or sets?

Here I have made a set of fours and a set of fives.

How many different ways can you show each number?

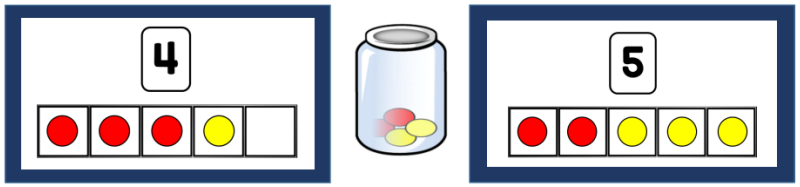

Can you match the numerals to each set?

Friday: https://vimeo.com/471477274 https://vimeo.com/477609166

Shake 4 double-sided counters (or painted butter beans) and then let them fall on the table.

How many counters have landed on the red side?

How many have landed on the yellow side?

How many different ways can you find to make 4?

Now use 5 counters. How many different ways can you find to make 5?
