Statement of intent

Blue Gate Fields Infant School is committed to maintaining the confidentiality of its information and ensuring that all records within the school are only accessible by the appropriate individuals. In line with the requirements of the Data Protection Act 1998, the school also has a responsibility to ensure that all records are only kept for as long as is necessary to fulfil the purpose(s) for which they were intended.

The school has created this policy to outline how records are stored, accessed, monitored and disposed of, and how long data is retained for, in order to meet the school's statutory requirements.

In accordance with the requirements of the Data Protection Act 1998, schools should only keep records for as long as is necessary to fulfil the purpose(s) for which they were intended. The retention periods outlined in this policy are good practice guidelines only, and schools should ensure that they consider requirements specific to their school when implementing these timeframes. The tables for retention periods are based on information provided by the Information Records Management Society (IRMS) and are not an exhaustive list of records that may be kept by schools.

3. Management of pupil records

- 3.1. Pupil records are specific documents that are used throughout a pupil's time in the education system – they are documents that are passed to each school that a pupil attends and include all personal information relating to them, as well as their progress.
- 3.2. The following information is stored on the front of a pupil record, and will be easily accessible:
 - Forename, surname, gender and date of birth,
 - Unique pupil number
 - Note of the date when the file was opened
 - Note of the date when the file was closed, if appropriate
- 3.3. The following information is stored inside the front cover of a pupil record, and will be easily accessible:
 - Ethnic origin, religion and first language (if not English)
 - Any preferred names
 - Position in their family, e.g. eldest sibling
 - Emergency contact details and the name of the pupil's doctor

 - Names of parents and/or carers, including home addresses and telephone numbers

 - Any other agency involvement, e.g. speech and language therapist
- 3.4. The following information is stored on a pupil record, and will be easily accessible:

- Absence notes
 - Parental consent forms for educational visits and trips, photographs and videos, etc.
 - Correspondence with parents about minor issues, e.g. behaviour
- 3.6. Actual copies of disclosures and reports relating to child protection are stored in a sealed envelope, in a securely locked filing cabinet in the school office – a note indicating this is marked on the pupil's file.

An additional copy may be placed on the pupil's file in the event of a major accident or incident.
- 3.9. The school will ensure that no pupil records are altered or amended before transferring them to the next school that the pupil will attend.
- 3.10. The only exception to the above is any records placed on the pupil's file that have a shorter retention period and may need to be removed. In such cases, the school office manager responsible for disposing records will remove these records.
- 3.11. Electronic records relating to the pupil's record will also be transferred. [Section 10](#) of this policy outlines how electronic records will be transferred.
- 3.12. **Primary schools only** The school will not keep any copies of information stored within a pupil's record, unless there is ongoing legal action at the time during which the pupil leaves the school. The responsibility for these records will then transfer to the next school that the pupil attends.
- 3.13. The school will, wherever possible, avoid sending a pupil record by post. Where a pupil record must be sent by post, it will be sent by registered post, with an accompanying list of the files included. The school it is sent to will be required to sign a copy of the list to indicate that they have received the files, and return this to the school.
