We apologise for the Early Years Gate being shut at the end of the school day. This is to ensure the safety of all the children in the Infant School. There were too many parents using the playground as a short cut and pushing through the gate.

Nursery and Reception parents - please wait at the classroom door for your child to be called and handed over to you. This is for the children's safety. Please do not push in front of other parents.

IF you are buying shoes for your child, shoes with Velcro are much easier for them to manage themselves rather than laces. Please make sure the shoes are the right size.

For your children's safety, please wait while all the children line up with their class at the end of the day before telling the adults you are taking your child home. Thank you.

Please do not park or drop off your child in the Ring House car park. We have received complaints from the residents. This is a private car park for residents only.
